Foreword

2005 EAM-PC: A User-Friendly Prayer Guide

“Let us pray” is the invitation often heard in our churches. It is because prayer is the heartbeat of God. If we must know God’s heartbeat (will) for our churches, then we must pray. Prayer is divine-human communication, an indispensable part of our relationship with God and each other. Prayer is the engine that fuels God’s work. As our EAM Council President Rev. Dr. Fran Toy advised, “we must under gird all our activities with prayer.”

*This **Episcopal AsianAmerican MinistryPrayer Cycle** is our attempt to unite our constituency and connect us to one another in some kind of “divine internet.” Please use this **EAM-PC** as companion to the Anglican Cycle of Prayer and/or other Intercessory Guides you are using. Starting this Advent, please include the listed Asian Congregation or Ministry in your Sunday Bulletin and pray for the clergy and lay leadership therein. I am grateful for The Rev. Richard Helmer, EAM Council Secretary, and Jeremy Abeya, our 815 Secretary for assembling this database.*

The Episcopal Church’s “20/20 Vision” is to double its membership in 2020. It seems like a pretty ambitious plan if you look at the current declining trends in mainline churches. The answers, however, are right here in our midst. Faith. Hard Work. Evangelism. Mission. Church Planting. Church Growth. But above all, PRAYER.

With faithful prayer, nothing is impossible.

*Prayerfully yours,
(Sgd.) Fred Vergara+
The Rev. Dr. Winfred Vergara
Asian American Missioner*

P.S. If there are updates in your Congregation, please notify Jeremy Abeya by e-mail to: jabeya@episcopalchurch.org
